

Abbey Mead Primary Academy - Pupil Passport Offer

As a school, we value greatly the enrichment and real-life experiences we provide for our children to connect with learning and to understand the world in which we live. As part of our Curriculum offer, we have identified the experiences we want all our children to have as they move through the school. These will be planned through activities that will take place in each year group.

F1

- **Invite a parent with a baby to come and talk about growth, changes etc
- **Autumn walk to the spinney to re-enact the story
