Summer Term

Summer is one of our favourite times of the year at Abbey Mead as our grounds begin to burst into colour! Our Edible Playground is looking fantastic too. Lots of varieties of vegetables are growing and these will be harvested for use in the school kitchen.

Vaisakhi Breakfast

Vaisakhi is an annual festival which is celebrated with great enthusiasm by Sikhs and Hindus. It is a spring harvest festival and it generally falls during the month of April every year.

At Abbey, we are celebrating Vaisakhi with a themed breakfast event at school on Tuesday 16th April. Families are invited to join us for this exciting celebration which will take place in the lower hall from 7.30 am onwards. Tickets can be purchased from the school office for just £1.00 per person.

We would like to wish a very happy Vaisakhi to everyone who will be celebrating this weekend.

Eid Performance

Children in Year 3 and Year 5 have been busy rehearsing our annual Eid performance which will take place on Wednesday 17th April at 6.00 pm. Tickets for the performance can be purchased from the school office for just £1.00 per person. There are limited tickets so priority will be given to parents of children who are performing.

Parental Workshops

This term, Miss Cogan will be running some parental workshops for families. These workshops are free for families and they will take place in school.

Time to Talk

Beginning **Tuesday 16th April**.

Every Tuesday morning 8:30-9am, Miss Cogan is inviting parents and carers to come to the library if you need to talk. Maybe you have a worry/question about your child, maybe you just need to talk to someone? Someone to listen.

Understanding Your Child's Emotions and Behaviour Parent/Carer Workshop

We are inviting you to attend a series of 3 workshops for parents and carers around supporting and understanding your child's big emotions and behaviour.

Does your child have anxious feelings? Bed-time worries? Big emotional outbursts or maybe you're just struggling with home-work battles? Come along and explore why your child behaves in a certain way and learn the importance of the adult in supporting and managing these big behaviours and emotions as well as key strategies to use.

The workshops will be held over three consecutive weeks beginning **Tuesday 16th April** at 2:30pm. We recommend that parents attend all three sessions to ensure that you are given the opportunity to put strategies into place between each session.

Please call the school office if you are interested .

Age Ratings and PEGI Content Descriptors

Age ratings give you information on how old a person should be before they watch a specific film or play a certain game. Alongside this, PEGI also show the following content descriptors which tell you the sort of things you will find in films or games. These will help you to decide whether it is suitable for your child or not.
