Well done to 1PP and 3AA for achieving 100% attendance this week.

Sport @ Abbey

Our football team took part in the TMET Football tournament at North Mead Academy on Wednesday 24th April.

The team played extremely well, narrowly missing out on the cup, losing 1-0 in the final.

Abbey's Year 5/6 cricket team took part in the East Leicester cricket competition at Wygggeston Q.E. college on Friday 26th April. The team performed exceptionally throughout the competition and demonstrated excellent skills throughout the competition.

WELL DONE Miss Ingham!

We are extremely proud of Miss Ingham for completing the London Marathon last weekend. She is fundraising for Young Minds Trust (the charity who run Children's Mental Health Week).

Anyone wishing to donate to this worthy cause can visit the Just Giving page by clicking on the link below. All donations will be gratefully appreciated.

Nursery Applications

We are pleased to say that we are now taking names for the Nursery next year.

Before we even advertise, we have already filled 70 places through word of mouth and through siblings; this is brilliant! We are beginning to plan our provision for next year and the number of teachers we will need in the Nursery. This will be determined by the number of children signed up. If we are over subscribed, places will be given on a first come, first serve basis. We are still taking registrations for our nursery for September 2024 so please contact the school and register your children. Do not risk missing out and sign up today by contacting the school office.

Online Safety

TikTok is a video-sharing platform where you can watch and create videos, and livestream. The app has an age-rating of 13+. Anyone with an account can upload a video to the platform. This means that there's a whole range of videos that feature different topics, challenges, or ideas.

Some might include:

- dancing or lip-synching
- clips from TV shows or films
- sports
- comedy sketches or funny videos
- recipes
- fitness
- news or world events.

TikTok can be a creative outlet for young people as it allows them to learn about video editing and discover new interests. However, it can be easy for children and young people to come across inappropriate content on the app. The app also has chat features that allow users to privately message each other which could put your child at risk of being contacted by someone they don't know.

If you know that your child has a TikTok account, it may be worth setting up family pairing. This allows you to connect your child's account with your own. It gives you access to parental controls to help manage who they can speak to and how long they can spend on the app.

Book Fair

The Book Fair is coming back!

The fair will run from Friday 3rd May to Wednesday 8th May in the school library.

This is a wonderful opportunity for children to explore books and extend their reading skills.

We will be sending out a timetable for the Book Fair so parents can send money with their children on the day allocated to their classes.

F2 Enterprise Day – Tuesday 21st May

On Tuesday 21st May our F2 children will be selling homemade ice lollies to raise money for Water for Africa. Staff and children are busy planning and creating ice lollies to sell. All the profits raised from the sales will go towards the Water for Africa charity.

Each year group will have a 10 minute time slot in the afternoon on 21st May to visit the Community Wing and buy a lolly for 50p. Please remember to give your child the money to buy an ice lolly on the day.

Our Eco representatives loved looking at all the different fruits and vegetables growing in the Edible gardens. We were able to name the different parts of the raspberry plant and went on to do some weeding too.
