Well done to 1PP who are our KS1 winners and to 4CC for achieving 100% attendance this week.

Attendance

We have seen a wonderful start to the school year with attendance. As we enter our 5th week of term next week, we thought it was a useful time to remind parents of the importance of regular attendance.

Not only does your child attending daily ensure they reach their full academic potential; it ensures that they develop our Abbey characteristics to be confident, self assured individuals. Our character education instils in our children the values and attributes necessary for a successful life.

We ask parents to think carefully before requesting any absence during term time. Every day missed at school prevents your child from reaching their potential.

Attendance = Achievement!

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Flu Vaccinations

Don't forget to register you children for the annual flu vaccinations.

Here is a reminder of how to give consent for your child to get the flu vaccination.

Make a note of the code for your school. For Abbey Mead Primary Academy the school code is **LE147148** and visit www.leicsandrutlandimms.co.uk

or scan the QR code using your smartphone camera to go straight to the web-site.

Select Seasonal Flu, enter the school code and fill out the form. On the consent declaration page, you can consent for the nasal flu vaccine or the injectable flu vaccine. You will receive a confirmation email when the form is submitted.

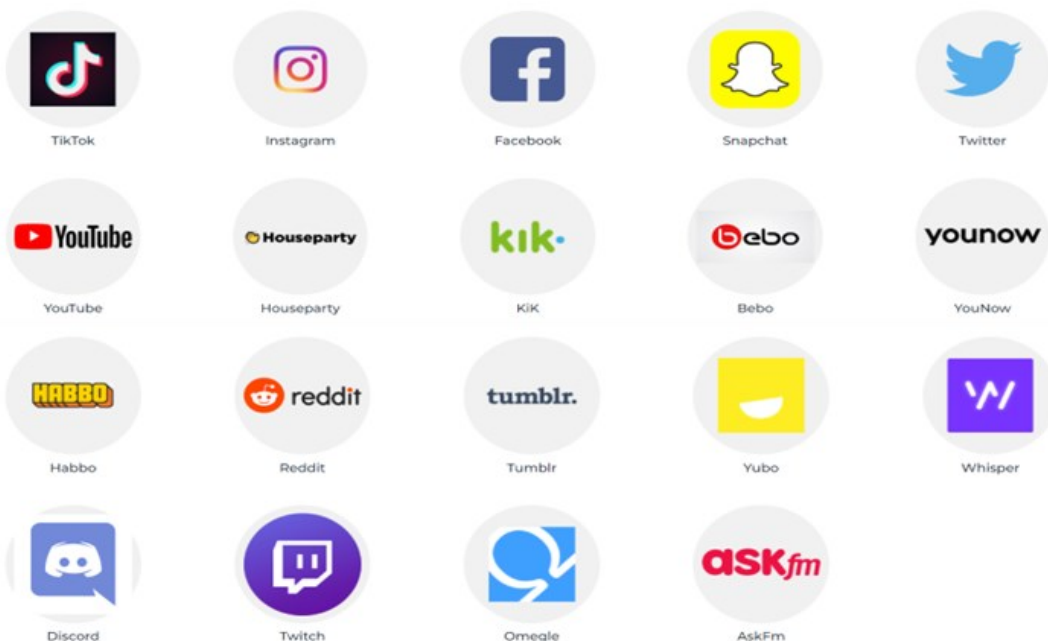

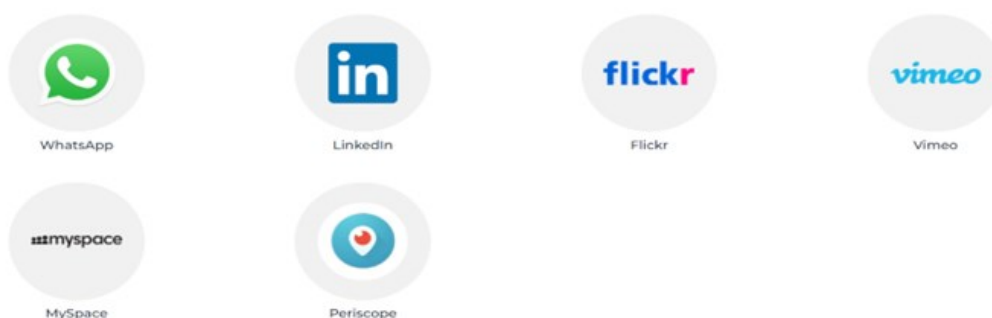

Online Safety

Age ratings are useful to help you decide what is appropriate for your child. You are probably familiar with the age ratings used for films, but apps and games are rated differently and there is lots more to consider. Have a look at the age rating poster to help you with making your decisions.

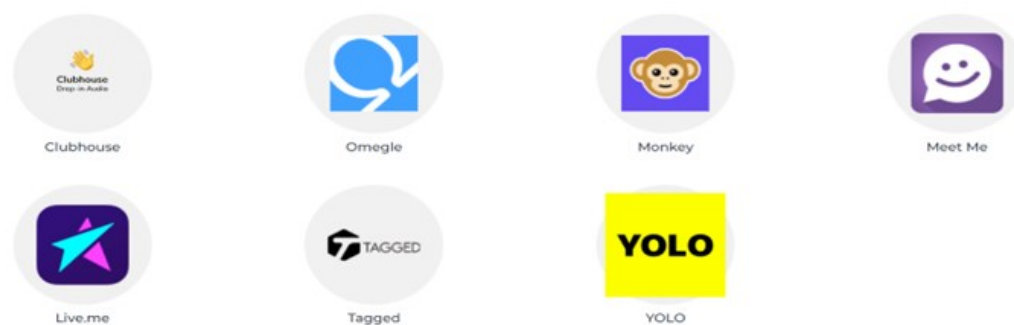

13 year olds and upwards

16 year olds and upwards

Not suitable for under 18 year olds

Wraparound Care at Abbey Mead

At Abbey Mead, we aim to provide a stimulating and challenging learning environment where all pupils can attain their full potential. In order to do this we ask that you provide some feedback on our wraparound care facilities.

Currently, we offer Breakfast Club to all pupils at Abbey Mead. This runs from 7.30am to 8.30 am every day during term time. The cost of this is just £1 per session and this can be booked as and when it is required. We also offer and after school care option every day during term time. The cost for this is £2 per session and this can also be booked when required.

In order to continue to improve our facilities, we are seeking your opinion on the above facilities so please complete this short survey. The survey can be accessed by clicking on this link below or by scanning this QR code,
