Nursery

We are pleased to say that we are taking registration for our nursery for September 2025 so please contact the school and register your children if they are eligible. We are also offering 30 hour places for children who are eligible. Both parents need be in employment to qualify for the 30 hour option.

We are beginning to plan our provision for next year and the number of teachers we will need in the Nursery. This will be determined by the number of children signed up. If we are over subscribed, places will be given on a first come, first served basis.
