## Transition / Annual Reports

This week, our children across the school spent time completing transition activities. They spent time with their new teachers and explored their new classrooms. It was a chance for children to familiarise themselves with new routines and settings. We were extremely proud of the maturity and strength of character shown by our children.

Over the coming days, children will bring home their annual reports and further information about dropping off collection points. Children with 100% attendance will be given a certificate too.

This year, we are also awarding 'Incredible Attendance' certificates for children who have achieved attendance of 98% or over. Well done to all the children who received attendance certificates this week!

On Wednesday 9th July, we will be taking two classes to Laser Quest to celebrate good attendance.

## Sports' Days

A massive thank you and well done to Callum for his dedication and hard work throughout the year and particularly the last few weeks organising the whole school's sports' days.

The children, families and staff have had an amazing time. Thank you to all our staff and families for supporting the children and also for participating.

It has been an amazing few days full of fun and sunshine!

## Trips

At Abbey, we greatly value the enrichment and real-life experiences we provide our children as a means to connect with learning and understand the world in which we live and to build up on our rich curriculum.

This term we have been able to take children on some very exciting trips;

Year 1 went to the Great Central Railway and enjoyed a lovely picnic on the train

Year 2 visited the seaside, a lovely sunny day on the beach followed by ice cream

Year 3 enjoyed a day at Conkers, enjoying the rides, train and a nature walk.

Year 4 went to Bradgate Park for a nature trail and a picnic.

Year 5 went to London to watch Lion King at the theatre.

Year 6 had a day at Abbey park to celebrate the completion of SATs and a sleepover with pizzas at school.

F2 visited Windmill Farm, enjoying the day with animals.

F1 went to Smallville Role play village.

We hope to continue to provide high quality experiences for children in the next academic year to nurture and enhance their learning.

## Charity

We would like to take this opportunity to thank all our families and the community for their generosity over the year. We have successfully raised money for various charities including Jeans for Genes day, Children in Need, LCI (lifting Childre's Hopes), The LOROS Hospice as well as supporting the school's new project of the Sensory Room.

Thank you to everyone! Your kindness has brightened many lives and brought smiles to many, many deserving and innocent faces.

Keep smiling!
